HISTORY OF CLINICAL AND FUNDAMENTAL NEUROSCIENCE AND NEUROPHYSIOLOGY IN RUSSIA: *Contribution to European Neuroscience*

(EUROPEAN HISTORY OF NEUROSCIENCE SEMINAR)

MAY 26, 2016

CO-CHAIRMEN:

Dr. Lorenzo Lorusso

(FENS History Committee)

Professor Konstantin Pashkov

(Moscow State University of Medicine and Dentistry)

VENUE:

History of Medicine Center of Moscow State University of Medicine and Dentistry; Moscow, Dolgorukovskaya street, 4-7

ABSTRACT SUBMISSION:

DEADLINE: April 22, 2016

Please send your abstracts by e-mail: **neurohistory16@yandex.ru**

Guideline for abstract submission is given below.

TOPICS:

- Prominent Russian neuroscientists and neurophysiologists who have made significant contribution to development of the European science (V.M. Bechterev, I.P. Pavlov, I.M. Sechenov, P.K. Anokhin, A.R. Luria, N.P. Bechtereva, etc);
- History of significant discoveries of Russian neuroscientists;
- Russian neuroscience and neurophysiology schools and their international co-operation.

BEST PRESENTATION AWARD:

Ten best abstracts will be selected for oral presentation. During the conference program committee and conference participants will choose one best oral presentation, which will be awarded valuable prize and diploma.

CONTACTS AND INFORMATION:

GUIDELINE FOR ABSTRACT SUBMISSION:

- Abstracts should be submitted via e-mail: **neurohistory16@yandex.ru**
- Authors' details include full mailing address, e-mail address and phone number of the presenting author, and affiliation details for all authors.
- **All abstracts must be submitted both in Russian and in English. Please use UK spelling and have your abstract proofread.**
- Abstracts should contain new and original information, not published elsewhere.
- Abstracts should be structured and include the following sections: Introduction, Methods, Results, Conclusion.
- All abbreviations used should be defined the first time they appear.
- Abstract text should not exceed 500 words.
- Authors should indicate their presentation preference: Poster / oral / publication only. Oral presentation will be held in English or in Russian according to the preference of the presenting author, and supplied by slides in both languages.
- A maximum of 2 abstracts per presenting author may be submitted.
- If your abstract has been accepted as poster presentation, you will be asked to prepare a paper poster containing information both in English and in Russian. Guidelines will follow based on acceptance of your abstract.
- Participation in the conference and abstract publication are free of charge.
